The Historical “2000 series”

PEDESTAL FOUNTAINS

The Historical Fountain has a timeless appeal. The design compliments a vintage setting or enhances a new one.

2002 SM
2008 SM

Choose from these textured colors

EMERALD SAPPHIRE TEXTBLACK BURGUNDY
PYRITE SANDSTONE GOLD VEIN COPPER

The options shown on this page are available on the 2000 series fountains.
The Aggregates

Aggregate concrete fountains have been apart of the landscape for decades. They were loved for their natural appeal and ability to look like they belonged in a setting. The appearance always represents a strong presence and the combination of those qualities with our standards is without precedence.

PEDESTAL FOUNTAINS

The optional Hose Bibb with locking door or the optional Jug Filler (shown) may be ordered on the model 3700 SM.

Our drinking fountains are UL approved and meet all ANSI-NSF61 -98 standards

The options shown on this page are available on the 3000 series fountains.
